## July 2015 Monthly Newsletter

This month's special event is our participation in the Noble County Fair starting Sunday July 12th with the parade kick-off of fair week. Monday we will have a booth set-up in partnership with the local Chamber of Commerce. Monday is also Senior Citizen Day and we plan to take some residents to the fair Monday afternoon. We also have a special event planned for Friday afternoon of fair week. The Dekalb County Horseman Association is volunteering their time to take the residents on a wagon ride to the fair grounds and then treat them to ice cream Friday at 1:00pm. Please let us know if you would like to go too, ASAP.
